Dear Ms. Patz:

Enclosed for your files you will find a copy of a Preliminary Assessment report prepared "in-house" by RIDEM personnel for the "Mendon Road Site".

RIDEM has recently received information concerning a site known as "Boulter's Farm Site" RID980672620, located in Cumberland, Rhode Island. A review of the ERRIS list shows that a PA and SI were conducted for the site in 1981. I don't believe RIDEM has copies of those reports, and, therefore, request that you submit copies of the reports to me.

*Forms & file contents sent to J. Hartley -*

Should you have any questions, feel free to contact me.

Very truly yours,
